tol of General Grant these we will have.

CONFIRMED BY MR. BOUTWELL.

I also desire to say that I did not fully realized period.

The inevitable result was, however, and the force of the statement of the real most oritical period.

The inevitable result was, however, that large payments, the liability for the funding bill, in which speech is a compact statement wibstantially spreading with the expression of positive was the shall be safe under the southern state shall be safe under the positive of the pay of the troops to the date of the southern state shall be safe under the protection of logal state govern from the chains of slavery, but from the southern stat "Sweet Home!" Ohl blissfni, buly place, Where perfect love and peace are found Within its sheding for snd grace. To make the threshold "hallowed ground. When heart to heart and hand to hand Are closely linked by silken chains; where each one shares the fears and car The hopes, the pleasures and the pains Where open deeds and guileless speech Dissolve all clouds of mean Deceit; Where honest eyes without disquise Look straight into the eyes they meet Where Manhood, Infancy, and Age, With simple faith and carnest trust, In lowly reverence hear the page In which 'tis written "He pejust," Where words that preach "Good will to all, And wildly herald "peace on earth," tre beard in gentle tones to fall Like music of sersphic birth; Where the rich flower of Conduct blows From the pure bud of Christian Thought And Ilving practice daily throws Truth's halo round the precept taught; Where the merry song and harmless jest At festal tide are heard to blend; Where "welcome" greets the stranger-gues And "loud rejetcing" halls the friend.

"Sweet Home!" Ch, blissful hely place; Where "Hidme" is all that "Home" should \$2,757,689,571; and the latter sum has

cognised and since paid.
At that time the democratic party leaders asserted what they now find it

convenient to forget, viz: that the burden of the debt imposed on the sountry by the war was three or four thouswere right; the true diability of th United States caused by the war which e democratic party of the South had waged upon the government amounted in the year 1866 to the sum of \$3,-287,733,329; and since that date the Important and Interesting Facts. republican party has paid over \$800,-000,000, or one-quarter of the principal of the entire debt, basides paying the interest.

In proof of this attendent let us now review the financial history of the government from April I, 65, to June

HOW IT WAS REDUCED.

30, 68 the close of the last fiscal year,a period of three years and three months years by more than \$000,000.

years by more than \$000,000.

fourth of the whole, and that, even after the recent reductions of taxation the payment of the principal will continue rapidly enough to extinguish the whole early in the next century.

The contrast between the reckless expuly 1, 1855 to June 30, 1856.

The contrast between the reckless expuly 1, 1855 to June 30, 1856.

July 1, 1857, to June 30, 1856.

July 1, 1857, to June 30, 1856. AND FIRST AS TO REVENUE. The receipts from the customs have been as follows: ministration and the economy of the present Congress nowhere appears more clearly than in these official fig-

INTERNAL REVENUE. The net result of thirty-five months April 1, 1865 to June 39, 1805... July 1, 1865, to June 39, 1805... July 1, 1868, to June 30, 1867... July 1, 1867, to June 30 1808... MISCELLAN EOUS SOUBCES.

record of which we may well be property.

Third—Direct taxes In speaking to you I shall pass rapidly over the details, but you will find my statement verified in detail in the been comparatively inconsi printed reports.

If there is any merit in the following analysis of the expenditures of the July 1,1887, to June 30,1855...

July 1,1889, to June 30,1857...

July 1,1887, to June 30,1858... last three years, I can only claim the plan and method upon which it is placed before you, All the data have been furnished me by the Hon. David Total..... RECAPITULATION: Wells. I long since perceived that the statement commonly accepted as that of the maximum debt of the Uni-

ted States was not one which covered The above total therefore represents the liability of the government on the the exact amount which the Treasury 1st of August 1865, by many millions of the United States has received from sources other than loans since the close of the war.

WHAT BECAME OF THE MONEY. I knew this from the fact that the And now we come to the main ques-

material for the tents and clothing for the army, for which they had then had no settlement. These accounts pose to answer—to answer in the most These notes were of course converted into five-twenty bonds by the savengs banks, and now form a portion of rebel armies in April, 1866, the exthe debt which the democratic parts penses of the war did not and of pe-proposes to repudiate by issuing green-cessity could not cease at once. The proposes to repudiate by issuing greenbacks, or, in other words, substituting
failed paper bearing no interest for a
debt not yet due; the avowed purpose
of the southern wing of the party, who
at least may claim the meed of
praise for their bold avowal, being to
render the greenbacks valueless and

ment that comes from his hand.

For the use I have made of the figures—by the extent of over one hundred and wer to my questions, I alone am responsible, and I desire that he shall have the credit of all the facts here stated, and I invite the blame of those who will charge me. the credit of all the facts here stated, then command was less all told, than and I invite the blame of those who seventeen millions of dollars.

GAVADUM NO

from three to twelve months prior to with far greater.
the termination of active hostilities, where process and which had been allowed by the Treasury to remain unliquidated, sim-ply by reason of great financial embar-

The remainder is made up mainly of the following items: Arrears of pay of discharged or de-ceased soldiers....

It is therefore not only legitimate, or unnecessary and inexpedient on the

and paid. We were then liable for Fourth—Public lands.
The receipt from the last having een comparatively inconsiderable. .510,005,955 states, for the property of loyal men (60,750,154) states, for the property of loyal men (41,186,68) destroyed, for additional prize money, (45,186,68) destroyed, for the reconstruction of the rebellious states, for the care of the freed-men, and for the burial of the dead. The amount of those liabilities which have been recognized and paid, and which are not included in the pre-

vious statement, is as follows: . \$62,828,955 . 49,582,859 . 1,642,099 ditures
Claims of loyal men
Freedman's Bureau
Miscellaneous, including all expenses of reconstruction and national cemeteries, estimated... 3.000,000 [8145,012,401

And in this total we have the sum to be added to the debt as it stood upon the books of the Treasury, April 1, 1865..........2,

THE DEBT THEN AND NOW. Bear in mind that these figures are all official, carefully prepared for me by Hon. David A. Wells, in order that I might defend the credit of the Uni-

STRENGTH OF THE COUNTRY. Total is molities...... \$688,648,073 millions more population and a vast extent of new territory to guard and

ceeding April 1, 1865, the month in which the rebel armies surrended, amounted to \$774,865,851.

WE OWED THIS IN APRIL, 1865.

It is estimated that a very large proportion of this sum, not less than portion of this sum, not less than \$400,000,000, was on account of expensional and accounts rendered and accounts rendered services. The sum of the amount expended on five and the sum of the amount expended on five and the sum of the sum of the burden and reap only the benfit by allowing them to aid the strawn are seared by a mirage, and we propose to put off twenty thirty, and we propose to put off twenty the benfit by allowing them to aid the strawngament of the benfit by allowing them to aid the strawngament of twenty in reputitating the strawngament of the benfit by allowing them to aid the strawngament of twenty in reputitating the strawngament of twenty in reputitating the strawngament of twenty and the benfit by allowing them to aid the benfit by allowing them to aid the strawngament of twenty in reputitating the strawngament of twenty in reputitation the
